Email: _____

Sponsoring Member's Name _____

Welcome to becoming a Booster for the Woman's Club!

During the year you'll be asked to participate by volunteering in ways such as: Bartending at our functions, greeting and assisting members as they arrive at the club, supporting our fundraisers by helping with serving, pitching in to ready the club for events, assisting us with the clean up after our events, lifting things we can't and generally volunteering in where help is needed!

Your twenty dollar membership fee includes ten dollars which we are asked to remit to GFWC Florida. The other ten will be held as a line item in our accounting. Our plan is to hold a yearly event for our Boosters in thanks for their volunteer services throughout the year. Every time you assist us at the club, we will place your name in our "Booster Bucket" – at the thank you event, names will be drawn for gifts!

If you would like to be a non-volunteering Booster, just put a "\$" after your name. We will know that half of your membership is a gift and will not call upon you.

Thank You!

Please make \$20 check payable to GFWC Woman's Club of Palatka.
